Bulletin 2026 #14-Tarheel Central Chapter 22 May 2026

It's not just a burger, hotdog and B-B-Q 3-day weekend. For those who served and supported those who served, it's about remembering our brothers and sisters who made the ultimate sacrifice.

So go to church, pray for those who went before us in battle like Emil Kapaun [WWII & Korean War US Army chaplain, POW, Medal of Honor recipient and Venerable (1916–1951)]. Yes, gather together as family and neighbors over a smoking grill, but remember them!

Here are the local Memorial Day Events:

- **Tonight at 6 PM - Kernersville VFW Post 5352 will be placing the flags this Friday at 6pm. We will meet at East Lawn Gardens of Memory, 530 Dobson Street.**
- **Sunday May 24 - 208th Army Band Patriotic Concert 1900 hours Austin Finch Auditorium 406 Unity St Thomasville.**
- **Monday May 25 - Carolina Field of Honor; the placing of the Gold Star that we financially supported at 1100 hours.**

Headlining the concert will be the incredible Embers ft. Craig Woolard! We'll kick off the evening with the Presentation of Colors and the Pledge of Allegiance, proudly led by the American Legion Post 255. Bring your lawn chair, your love for this country, and get ready for a night of red, white, and tunes!

The Vienna Civic Club has all of your cravings covered with grilled hot dogs, hamburgers, chips, and cold drinks.
