PROGRAM CHANGE!

As you probably know, Charlie Tutt had to cancel as our 11 March speaker because of health reasons.

Jason Ford has recruited Beth Hinesley of HonorBridge to speak about Organ and Tissue Donation (the compelling needs, the myths and how it actually works). Beth is a seasoned healthcare and community relations professional with over 25 years of experience at HonorBridge.

About HonorBridge: HonorBridge is a federally designated, not-for-profit organ procurement organization serving 7.5 million people in 78 counties in North Carolina, along with Pittsylvania County in Virginia. With offices in Chapel Hill, Greenville, and Winston-Salem, HonorBridge is devoted to building connections that save and heal lives through organ and tissue donation. For the third consecutive year, HonorBridge was named Business North Carolina's Best Employers. In North Carolina, over 3,000 people are currently waiting for organ transplants, and nationally, over 100,000 people are on the organ waiting list. For more information, visit HonorBridge.org or call 1-800-200-2672.

Hope to see everyone next Tuesday!
