Chapter Members and Supporters,

Your Board of Directors is honored to announce that the chapter was awarded the 2024 Level of Excellence (LOE) Award and the 2024 Award in both categories of the Marvin J. Harris Communications Award: Newsletters and Website.

The LOE Award was judged on our excellence at supporting and fostering programs that directly support our community and the MOAA mission.

The Marvin J. Harris Communications Awards were judged on design and content.

Thank you all for your contributions.

Please continue to support the Tarheel Central Chapter Mission to foster fraternal relations, provide useful services for members and their families, and serve the community, the active military forces (past, present, and future) and our nation. Keep those emails and input coming, and never stop serving!

Again, this could not have happened without everyone's concerted efforts.

Sincerely,

--- Your Board of Directors
