Chapter Members and Supporters,

The Triad Honor Flight goes to DC tomorrow carrying over 100 veterans to see the war memorials erected in their honor and to spend the day in Washington being honored and recognized for their service to the Nation.

They will be greeted by a Washington ground crew for Honor Flight National then will board luxury busses where they will be escorted through the city stopping at all the many war memorials including significant stops at the Vietnam Wall and will witness the changing of the Guard at the Tomb of the Unknowns, our flight will have the honor of participating in the wreath laying ceremony at the Tomb. Truly a memorable and moving experience to say the least.

We have 3 MOAA officers flying with us tomorrow. It would be wonderful for as many of us as possible to participate in their welcome home celebration at PTI tomorrow evening. The flight gets in from DC about 8 PM, there will be hundreds of people at the airport and parking is free for those coming to the celebration. The best entrance is through Door #3 upper level for American Airlines, there will be plenty of volunteers to direct folks.

MOAA members flying are Warren Boyer, Jerry Johnson and Tina Rudge.

Thank you,

Jackie Kohler
